

COSMOS

California State Summer School for Mathematics and Science

Invitation to the

2009 OPEN HOUSE

Program Overview

Designed specifically for talented and motivated high school students, the California State Summer School for Mathematics and Science (COSMOS) is a 4-week summer residential program for high school students with demonstrated interest and achievement in math and science. Located on four University of California campuses (Davis, Irvine, Santa Cruz, and San Diego), students work side-by-side with outstanding university researchers and faculty to explore advanced topics in science, technology, engineering and mathematics (STEM) using curriculum that is hands-on and lab intensive. COSMOS alumni have exclusive opportunities for internships, college scholarships, mini research grants, and special events.

When: Wednesday, February 11, 2009 from 6:00 - 7:00 p.m.

Where: 1147 Mathematical Science Building; UC Davis
<http://visit.ucdavis.edu/map/>

Why: To hear more about this exciting four-week residential program at UC Davis for high achieving high school students interested in math, science, technology, and engineering. The COSMOS staff will be available to answer questions regarding the application process. A “helpful hints” flyer will be distributed to all students in attendance.

Please **RSVP** by emailing cosmos@ucdavis.edu or calling us at 530-754-7326.
